REFERENCE: Scott County RV School District BEN 137051

I would like to request an appeal review of 471 Application # [520319](#) , FRN# 1432247 for Internet Access Services. I had contacted Mr. Capps and indicated that I had duplicated the funding Commitment Request and requested that one be cancelled. He apparently misunderstood and cancelled both FRN's for Internet Access. I have attached the e-mails documenting my request and his responses below. Please advise on how to continue.

Ashley

At this time there is no need to send the item 21 attachments for applications 520319 and 520335. If we do need them, we will let you know. Just put them aside for now in your records.

Ashley

I received your email today, thanks for the update.

By canceling application 521798 as you stated in the email, a review is no longer necessary at this time. No other information is needed for the other 2 applications-520319 and 520335.

Thanks

Mike, I apologize for the delay in getting back to you on this. I've got a newborn at home and I'm running behind as you can imagine. After reviewing the filings for Scott County R5 School District we have determined the following:

Application #520319 is a valid Request, Item 21 Attachments will follow
Application #520335 is a valid Request, Item 21 Attachments will follow
Application #521798 is a duplicate funding request made in error. Please cancel the FRN's attached to this application.

Please let me know what additional information you will need for Applications 520319 and 520335. I apologize for the confusion related to these duplicate filings.

Sincerely,

Ashley Jordan
